Greetings ~

We are writing on behalf of the North Plainfield Education Foundation. Our annual Fall Festival is September 28, 2024 from 11:00 am - 4:00 pm at North Plainfield High School. This event not only helps fund opportunities to nurture North Plainfield School District students, it brings local organizations together with our schools to celebrate our community.

Our previous events have raised awareness about our foundation/schools/community and funded mini-grants to teachers which have helped fund classroom libraries, STEM activities, and assisted our preschoolers get a head start, among other educational and athletic activities and needs.

This year, we are expecting approximately 80 vendors and 3,000 attendees at our Fall Festival.

This event would not be possible without the support of local community members, from North Plainfield, Somerset County and beyond, who provide valuable sponsorships of Fall Festival activities for our participants.

Would you be willing to sponsor and help make this year’s event possible? With your sponsorship, we will be able to make our festival even more dynamic for our community. We are asking all sponsors to respond by August 15, 2024.
